From Fresh Pond Circle, travel west on Concord Avenue toward Belmont.
You will pass a Shell gas station your right, immediately after exiting
the rotary. Make a right turn at the Burger King onto Smith Place.
If you get to Spinelli Place or the Fayerweather School, you've gone too far.
Off of Smith Place, take your first left onto Adley Rd.
Then take your first right (you'll see Chasma Scientific in front of you).
The building in front of you is 67 Smith Place.

With the building to your right, drive down toward the end of the building. Our unit is 13A on the right.
